Profile

As a dedicated and experienced Web Developer with a background in IT Support, specializing in creating visually appealing and intuitive interfaces. Proficient in front-end technologies such as HTML, CSS, and JavaScript, and capable in backend development. I excel in delivering exceptional user experiences through UI/UX design. With strong collaboration and problem-solving skills, I am committed to crafting engaging and comprehensive solutions that prioritize user satisfaction

Professional Work Experience

Front End Developer

Group One JL International • Angeles, Pampanga   03/2023 - 02/2024

UI/UX Design Implementation

- Translating UI/UX design wireframes into actual code that produces visual elements of the application.
- Ensuring the design is responsive and works across various devices and screen sizes.

Collaboration with Back-End Developers

- Working closely with back-end developers to integrate APIs and server-side logic into the front-end.
- Ensuring that data is displayed correctly and interacts properly with the front-end components.

Development Using Front-End Technologies

- Writing clean, efficient, and maintainable code using HTML, CSS, and JavaScript.
- Using front-end frameworks and libraries like React to build complex user interfaces.

Cross-Browser Compatibility

- Ensuring the website or web application works consistently across different web browsers such as Chrome, Firefox, Safari, Edge

Fetching Data from Databases

- Integrating with back-end services to fetch data from databases and display it dynamically on the front-end.
- Handling data retrieval using asynchronous operations and ensuring data is processed and displayed efficiently.

Implementing Animations

- Creating and integrating animations using CSS, JavaScript, or animation libraries.
- Ensuring that animations are smooth and performant

User Input Handling

- Implementing forms and other elements that capture user input and ensure it is validated and processed correctly.

Version Control

- Using version control systems like Git to manage and track changes in the codebase.
- Collaborating with other developers through platforms like GitHub.

Responsive Design

- Creating web pages that adapt to different screen sizes, ensuring a seamless experience on desktops and mobile devices.

IT Support

Mariveles Harbor Corporation • Mariveles, Bataan   03/2022 - 09/2022

Technical Support and Troubleshooting:

- Providing technical assistance to users by diagnosing and resolving hardware, software, and network issues.

System Maintenance and Upgrades:

- Performing regular maintenance on computer systems and networks to ensure they are functioning optimally.
- Installing and configuring new hardware and software, as well as managing system updates .

User Training and Documentation:

- Assisting users with understanding and using various IT systems, applications, and tools by providing training.
- Documenting IT support processes, solutions to common issues, and maintaining records of service requests to ensure continuity and improvement in IT services.

Skills

Web Development

Front-End Technologies

- HTML
- CSS
- Scss
- Javascript
- Jquery
- Gsap
- React

Ui Frameworks/Libraries

- Tailwind Css
- Material Ui
- Daisy Ui
- Shadcn/ui
- Bootstrap
- Styled Components

Design Tools

- Figma
- Adobe Photoshop

Database Management

- Supabase
- MongoDB
- SQL

Back-End Technologies

- Node Js
- Express Js
- Postman
- Insomia

Web Development Tools

- NPM

Mobile Application

- React Native
- Expo

API Integration

- RESTful APIs
- Third-Party API Services

Technical Skills

Operating Systems

- Windows
- macOS
- Linux

Hardware Troubleshooting

- PCs
- Laptops
- Printers
- Network Devices
- Computer Pheriperals

Software Installation and Configuration

- MS Office
- Adobe Suite
- Antivirus Software

Remote Support Tools

- TeamViewer

Virtualization

- VMware
- VirtualBox

Networking

- TCP/IP
- DNS
- DHCP
- VPN
- LAN/WAN
- Firewalls

Scripting Languages

- PowerShell
- Bash

Education

Bachelor of Science Information Technology

Bataan Peninsula State University • Balanga City, Bataan

June 2019

Electrical Installation Maintanance NCII

Bataan Peninsula State University • Balanga City, Bataan

2013

Computer Hardware Servicing NCII

Bataan Peninsula State University • Balanga City, Bataan

2011
